1. As to Issue 4 concerning production of emails, the parties are **ORDERED** to finalize search terms by **December 6, 2016**. If the parties remain unable to agree on search terms by that date, they are **ORDERED** to submit their proposed search terms to the Court on **December 7, 2016** for the Court's resolution of this matter.
2. With respect to Issue 5 concerning pipeline and closing reports, defendant represents that while preparing the affidavit the Court ordered in paragraph three of its November 14, 2016 Order (Doc. 265), defendant found a set of documents that may contain the closing report information plaintiffs seek.
